We, the family of Tylor, would like to **Thank You** for all the love and support that you have given us in the last **8** years.

We will miss you all so much.

When I say, "We are going to miss you ALL," it takes the breathe out of our bodies. No one could ask for a better school.

You are the Best!

Not only did you support Tylor, but you also supported me, "Monica" and have helped to motivate me and have given me strength.

I can not say Thank You enough,

Monica and Tylor
